

Collecting a “fee” under the umbrella of the district’s Community Programs and Service (Fund 80) operations to off-set the expenses of the unit (unit being a program, activity or service) should be evaluated prior to local approval. The district is expected to account for the “fee” collected on a “unit by unit” basis. Collected fees should support related unit costs.

120.13(17) TEMPORARY USE OF SCHOOL PROPERTY. Grant the temporary use of school grounds, buildings, facilities, or equipment, upon such conditions, including **fees not to exceed actual costs**, as determined by the school board, to any responsible person for any lawful nonschool purpose if such use does not interfere with use for school purposes or school-related functions. For purposes of s. 895.523, **"actual costs" means** reasonable costs for maintenance, security, supervision of participants who are minors, if applicable, and cleaning. **Fees received under this subsection shall be paid into the school district treasury and accounted for as prescribed under s. 115.28 (13).** The user shall be primarily liable, and, except as provided in s. 895.523, the school board secondarily liable, for any damage to property and for any expense incurred in consequence of any use of school grounds, buildings, facilities, or equipment under this subsection.
